Please have ready a picture of your wedding dress, bridesmaid dresses and flowers.

You are welcome to "Share" your wedding Pinterest board. To do this, go to the top left of your board and press the 3<sup>rd</sup> button from the left. It's the  $\frac{1}{2}$  square with up arrow. Then press the Mail application button to email it to Ashley.

During your trial, please have a clean face and freshly washed and dried hair. Have ready any veils, combs, flowers, hair extensions etc.

If you have a shirt the same color as your wedding dress, please wear it 😊

Please inform Ashley if you need us to bring bar stool height chairs and lighting.

If you're trial goes over the agreed to scheduled time, a \$99/hour will be applicable so please have all the above homework complete to avoid running over the allotted 2 Hours.
